ABOUT US

Ayush Group began as an energetic enterprise in 2004 with the aim of providing quality food products, particularly safe and healthy packaged edible oil, at affordable prices in Pune and surrounding areas. Since then, it has grown in the food industry by setting up more manufacturing plants, producing various pulses, dals, and flours.

Our focus on quality has remained unchanged, with excellent quality at affordable prices being one of our care values.

**High
Quality Products.**

Affordable.

Our Mission

We aspire to become a leader in the B2B Food sector.

We are dedicated to providing our stakeholders (from suppliers to buyers) with a clear, organized, and uncomplicated supply chain to meet their timebond needs, proving them with a swift and speedy execution.

We strive to implement latest technologies to have a smooth line of operations.

Our Values

Excellent Quality

Committed to on uncompromising quality.

Building Trust

Belief in building long term and trustworthy relationships with our stakeholders (suppliers and customers) by offering unmatched service.

Tin Manufacturing Plant.

As part of our commitment to continuous improvement, we introduce you to our newly established Tin Manufacturing Plant set up at Wagholi, Pune. Here, we manufacture premium quality tins using the highest grade Tin plate sourced from Tata & JSW steel only.

As the first and only oil repacker in Pune to manufacture our own tins, we rid our dependency and margins on tin suppliers, fulfilling our aim to pass on the benefit of premium quality value-for-money tins to our customers.

Being a very young and dynamic group in this industry we continuously keep innovating as we are fully dedicated to quality improvements for our customers.
